*"As a Community
Can We Afford To Do Less
Than Our Level Best For Our Children?"*

On December 14, 1954, the voters of the Albion Central School District answered this question when they approved by an overwhelming majority a forward-looking building program for the needs of their children. This program was the result of months of careful study by the Board of Education and the citizens committee. The Chevron pays tribute to progress that builds a future of freedom for all the children of all the people.

Dedicated to
STANLEY T. WOODS

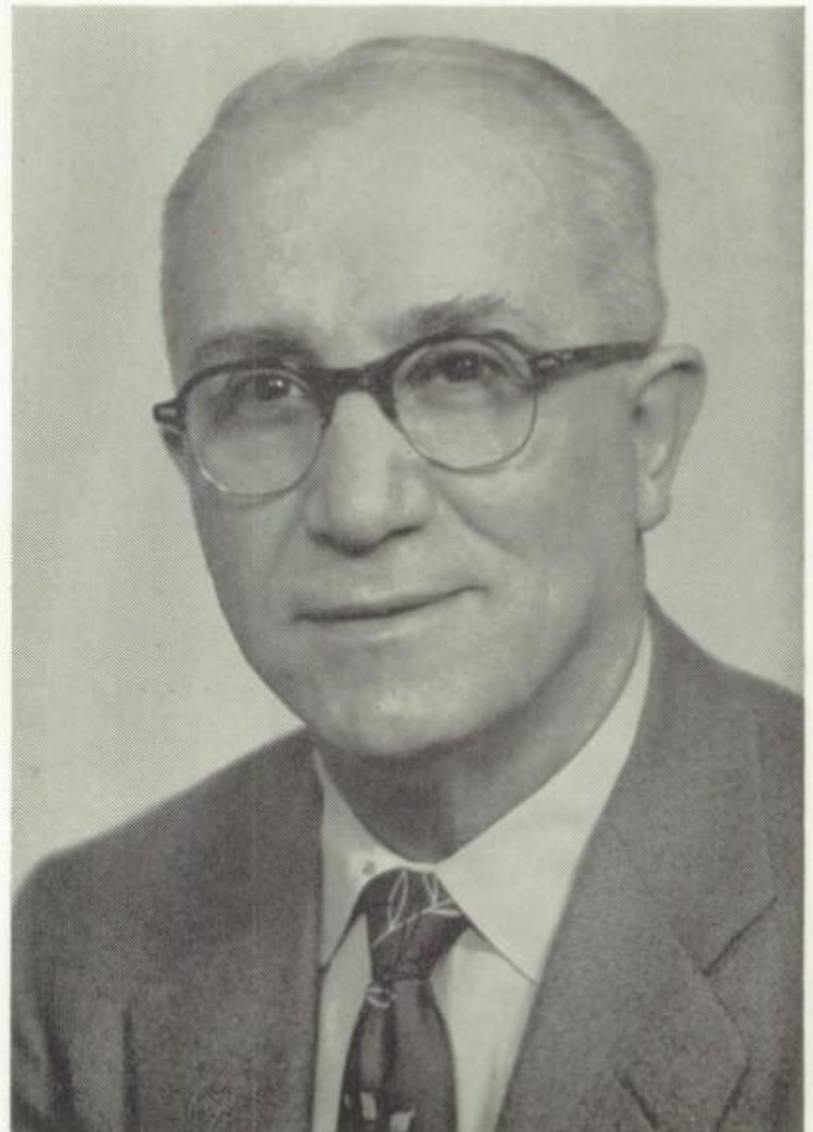

whose loyalty as an alumnus and devoted service of twenty-five years as a member of the Board of Education of the Albion Union School and as the first president of the Albion Central School Board mark a lifetime of devotion to the best in education for the youth of Albion.

Kindly, earnest, farseeing, always mindful of his responsibility to the children, teachers, and citizens of the community, he will long be remembered and esteemed by this school and village.

Dear Mrs. D'Amico

You came to us in 'twenty-eight.
Latin and history, date by date,
The Gallic Wars and Cicero
(We really hate to see you go!)

You taught us well. You changed your name;
(The principal's is just the same!)
A future life of books and flowers
We wish for you just pleasant hours.

FACULTY ITEMS

Congratulations on their additions to Mr. Hopkins, Mr. Sanford, Mr. Hill, and Mr. Salchak.

We all enjoy having Miss Klotzbach, Mrs. Burton, Mrs. Severns, Mrs. New, Mrs. Laughlin, Mr. Salchak, Mr. Noble, Mr. Mangefrida and Mr. Gorankoff with us this year.

Everyone was sorry that Miss Root was taken ill and had to leave.

Farewell Miss Storey! Welcome back, Miss Boice!

We are glad to have Mrs. Alice Clark with us but sorry to see Mrs. Cusack leave.

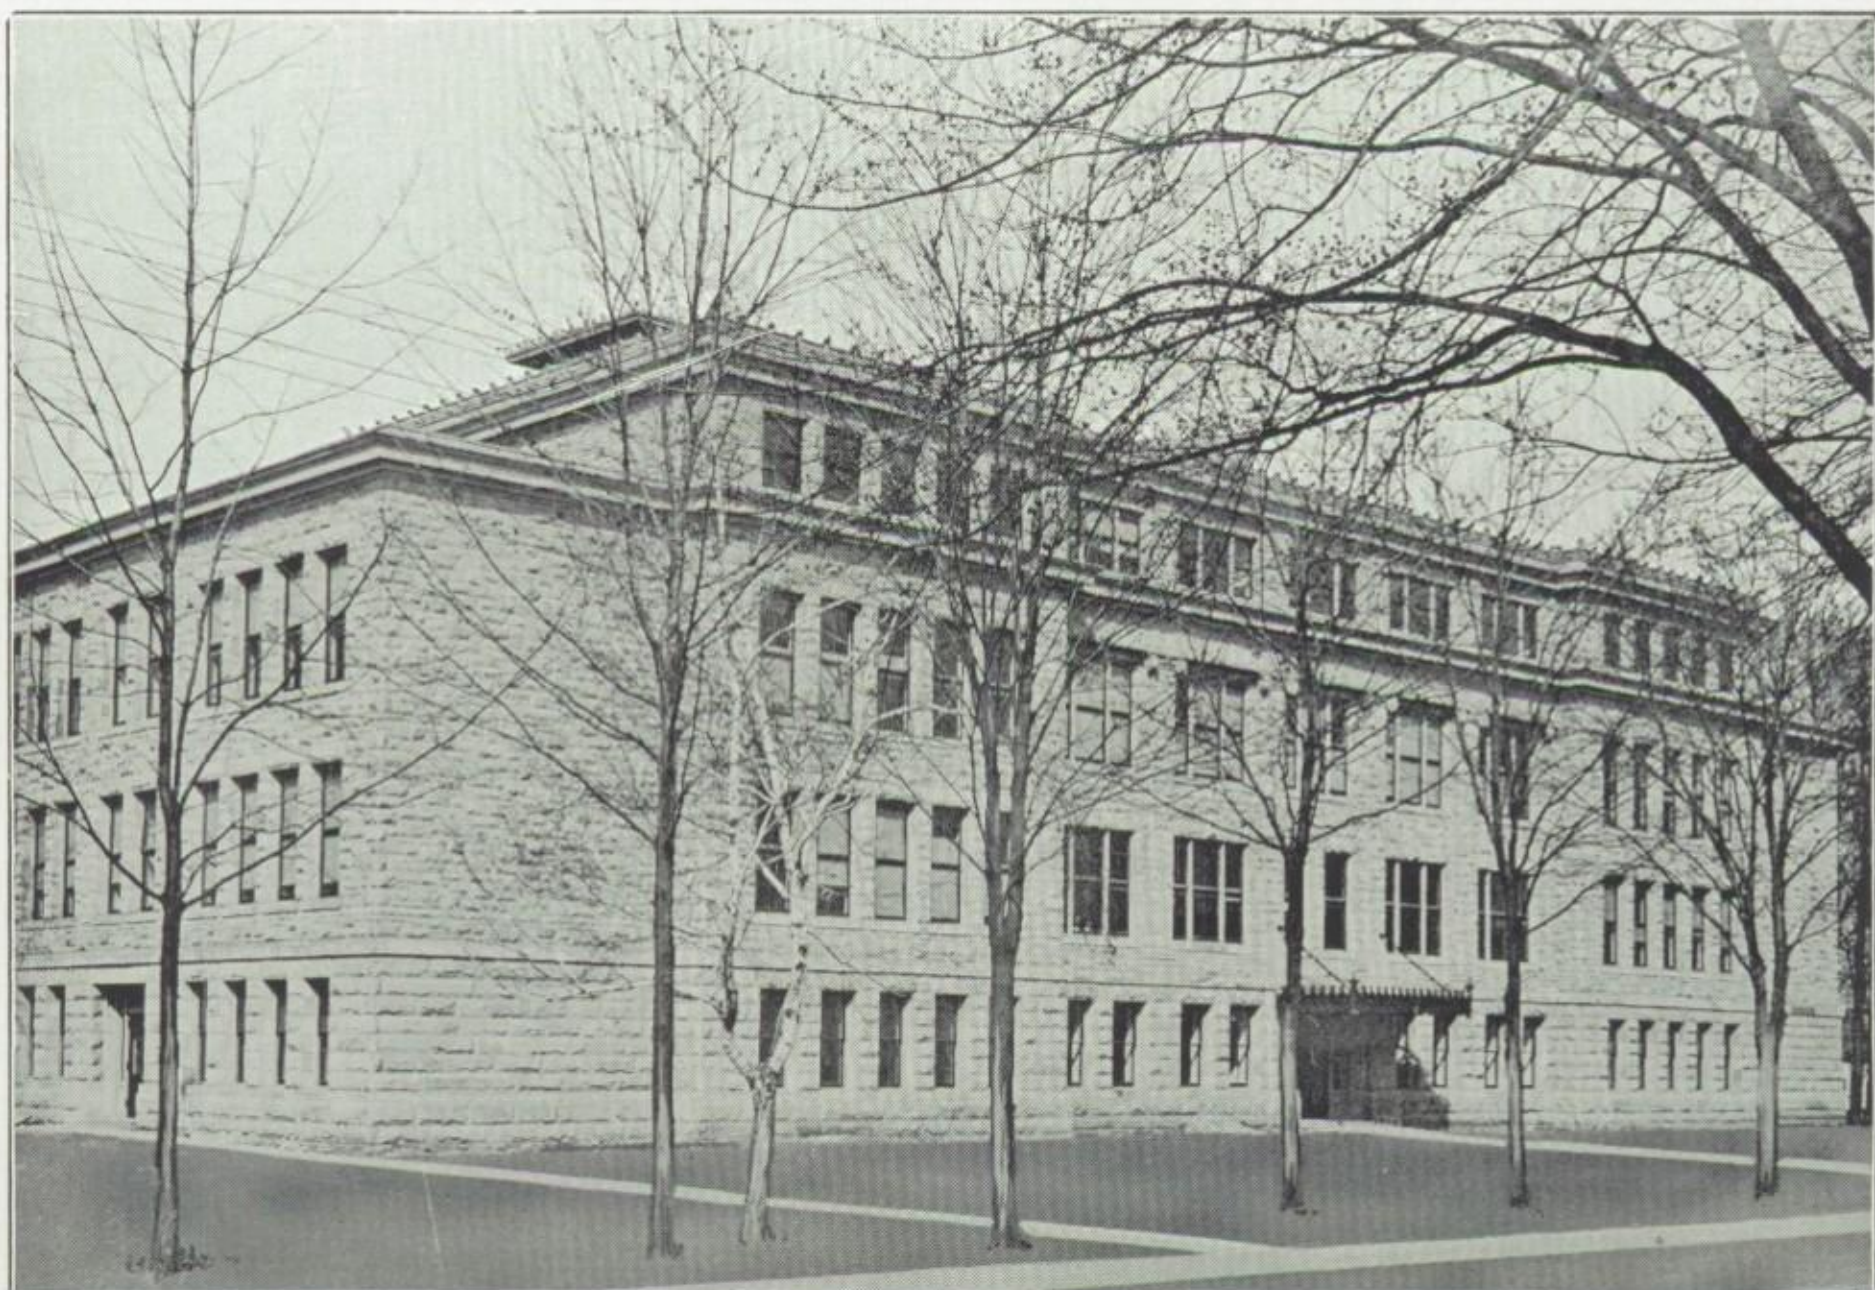

Mr. Hopkins is going to be busy this summer completing his Master's degree.

This summer Mr. Salchak is going to summer school in the morning, playing golf in the afternoon and working at a carnival in the evening. When is he going to do his homework?

The Chevron thanks all the faculty whose time, energy and good will made this edition possible.

SENIOR CLASS

Top of the building is here! 238 — Seniors all together under one ceiling. Our custodians, Mrs. Landfear, and Mr. Hill.

We started off our last big year with the election of officers: Dan Gottovi, president; Pat Fraser, vice-president; Nancy Bielinski, secretary; Marcia Gibbs, treasurer. The honorable office of "pig keeper" went to Matteo Pecorella, who has faithfully hounded the gum-chewers of the Senior Class.

Suits and ties — sweaters and pearls! The whole school knew that the Seniors were having their pictures taken. Back came the proofs — it's awful — looks just like me!

June came in December, with the Senior Play, "June Mad"! Tryouts, rehearsals, footlights! Up goes the curtain — we're on! Tommy in jeans — Sue in chiffon — the audience in stitches!

"The Highwayman" rode in A. C. S. on December 9th. Ciarico in braids, the rest of us in our best. The Senior Tea had arrived. The program was fun, the tea was punch, and we bowed our bow to society. Who will ever forget the moon that showed Craddock the way? "Silver Bells" by the chorus set the theme for the decorations by Carrie.

Came the Christmas party! One time when the girls had it easy. The spaghetti dinner was cooked (?) and served by the boys (deep bows to Mrs. Atwell, Mrs. Pecorella and Mrs. Petronio). And such a charming Santa Claus to reward all good little Seniors.

Slave Day — packed with laughs! The windows in Senior Homeroom shone — thanks to two willing (?) slaves. Gridiron warriors turned dance-teachers — to the eighth grade girls. And the slave-masters grinned! Who can blame them?

March 8th, blizzard and all, saw us hop the bus for Rochester and "The Boy Friend". What a show! What a welcome home — no lights, no heat, no school!

Now — cards and announcements are ordered — finals will soon be here — and in only too short a time we'll take our trip and trip across the stage in cap and gown. Vale, Albion Central!

JUNIOR CLASS

Order in the court! Case of Junior class versus Albion Central School.

Plain. Att.: During the latter part of September, this group elected the following ring leaders: President, Ann Navarra; Vice President, Paul Canham; Secretary-Treasurer, Sandra Waldo. The first crime committed was a campaign in which they sold magazines. It was very successful and they made a large amount of money on this deal.

With some of this money, the entire Junior class skipped town and hid out for one evening in Rochester where they saw the Ice Follies of 1955. Many of them lost their way and were almost picked up, but as the evening ended, all returned safely to headquarters.

Future plans consist of a skating party and a radio broadcast, "The Junior Town Meeting of the Air." Speakers on this panel are Ann Navarra, Bob Skinner, John Ellis and Beverly Brownell. The date of broadcast is March 15, 1956.

Members of the jury, I leave you to judge the damage done by these Juniors. The Plaintiff rests.

Def. Att.: Members of the jury, as you look at these fine Juniors, how can you find them guilty of such crimes? Many members of this class have contributed a great deal to this school. Four girls, Eleanor Minckley, Dorothy Gregg, Dawn Minier, and Bea Sedita cheered faithfully for the varsity football and basketball teams. Cheering for the Junior Varsity team were Jane Bigger, Shirley Pecorella and Beverly Brownell. Derwick, Pilon, Brackenbury, and Craddock did a fine job playing on the Varsity football team. We had these Junior boys, Derwick, Pilon, Ellis, Hannon, and Batt who played Varsity basketball.

A large number of students represented the Junior class in the Christmas Choir. John Ellis sang the solo, "The Holy City."

Four members of this class, John Ellis, Sharon Hubbell, Charlie Derwick, and Priscilla Standish were chosen as exchange students to Canada.

Does the jury find the Junior class guilty or not guilty?

Guilty, Your Honor.

The jury finds you guilty of irreparable damage to parents, teachers and the school. You are therefore sentenced to one year of hard toil in Homeroom 238 — sentence to begin in September, 1956.

SOPHOMORE CLASS

Upper lower classmen, you say? That's right! We've reached the second rung of the ladder!

To help keep us balanced, Fred Daniels was elected president; Adrienne Daniels, vice-president; Jean Lent, secretary; Carolyn Miller, treasurer. Standing by to lend a helping hand was our advisory trio, Mrs. Mahoney, Mrs. Holt, and Mr. Schroeder.

Looking back over the past year, the Sophomore Class is justly proud of its contribution to Albion Central.

"Give the ball to 'Unis!'", was a familiar cry at the football games. Fred Daniels and "Beater" DeCarlo helped raise the Varsity basketball scores. And where would the J. V.s have been without the Sophomores?

As for our girls — who could miss Jean Lent, our J. V. Cheerleader — the two Claudias (Britt and McCollough), Bonnie Grimm, Karen Horton — and Jean again — those talented Twirlers!

Many of our girls (and boys, too) sang in the Glee Club, "tooted" in the Band, and slaved (?) on the Clarion-Echo and Chevron Staffs. In fact, there was scarcely a phase of school life in which the Sophomores were not represented.

Along with the new year came the traditional skating party at Medina — thrills, spills — an event long to be remembered.

And now we're reaching for the third rung of the ladder — and looking forward expectantly to magazine sales, Signor Prize — and all that goes with being a Junior.

FRESHMAN CLASS

We're Freshmen — a part of Albion High School at last! Until now, we've been *in* the building, but not *of* it. Now we are!

We started this momentous year by electing the following class officers: Jimmy Graham, president; John Denniston, vice-president; Kay Bell, secretary; and Clark Brooks, treasurer.

The Freshman year brings new opportunities! And we made our presence felt in a number of different fields. Our boys played on the J. V. basketball and football teams. Donna Minckley and Kay Hubbell made the J. V. Cheerleading Squad — Judy Rice was our contribution to the Twirlers.

Now for the first time, our girls could join the Glee Club. We're justly proud of our representative, Lenore Marth, who sang solos in both the Christmas Choir and the Spring Concert.

Last, but not least, many thanks to our advisors, Mrs. D'Amico, Miss Klotzback, Miss Beeman and Mr. Salchak, for all the time and effort they have given to our class. We hope they feel it has been well spent.

And now its time to climb higher into high school! We've made plans for the future — plans to work hard and yet have fun too. We know we're going to love every minute of it! But our Freshman year is one we won't forget!

SIXTH, SEVENTH and EIGHTH GRADES

Special projects have added zest to the daily routine of the Sixth Grades. Mrs. Severns' class made a mural of the Solar System. Mrs. Scharett's class has done committee work on foreign countries. Each class held a most successful Christmas party.

Life in the three Seventh Grades has been filled with activities — Christmas parties, basketball teams, knitting lessons, a field trip, mural making — to mention only a few.

Opportunity knocked at the door of the Eighth Grade this year. For the boys — a new Junior Rod and Gun Club; for the girls — a dancing class. The highlight of the year — a skating party at Medina.

CHEVRON

September, '55! Again the door to 310 is open! Inside a veritable beehive of activity as Co-Editors Sue Lester and Gordon Wells and their staff begin to make plans for the 1956 Chevron. And where is Mrs. Landfear? Right in the middle, of course — a never-failing source of inspiration and advice!

Ideas? Ideas? To track them down, off to the Empire State Scholastic Press Association conference in Syracuse go Mrs. Landfear, Sue Lester, Senior Editor Richard McMurray, and Assistant Editors Priscilla Standish and John Ellis. Gordon Wells was a block behind us all the way!

"Gotta have money!" So the enterprising Promotion Staff under Ronnie Kettle and Marcia Gibbs wrack their collective brains for new and novel means of procuring the "green stuff." The result — that riot of fun, Slave Day! A Sadie Hawkins Chase (leap year, you know), Christmas Capers, after-game dances, and Friday noon movies help swell the Treasury and keep Business Manager Nancy Bielinski out of the "red."

Circulation Manager Pat Fraser's dog race proves a "doggone" good way to stimulate competition in the homerooms and "up" the Chevron circulation. Now all Pat has to do is pass out the finished product.

"Deadline Friday", warns Literary Editor Sue Beach, but it doesn't mean a thing. "Better late than never", she sighs, checking off incoming write-ups on her little chart. And then the fun begins, as Karen Rush and her corps of typists attempt to decipher the hieroglyphics. "What's this word?" "Can't anybody write?" Fingers fly over the keyboards — and at long last — Eddy's, here we come!

One picture's worth a thousand words (so they say) and Staff Photographer Dick Brownell sets out to prove it — with gratifying results. Art Editor Carrie Wahl bends over her drawing board and comes up with — just turn the pages and see for yourself!

And now our task is over! It's been a lot of work — and a lot of fun! Here's the 1956 Chevron! Hope you like it!

STUDENT COUNCIL EXECUTIVES

J. Craddock, E. Frank, S. Lester, A. Burgis

STUDENT COUNCIL

"There will be a meeting of the Student Council in the cafeteria at 8:35 today." That announcement has boomed out many times over the P. A. system, proving the Student Council works hard for the students all the time.

Ably heading our student government is Sue Lester. Hand in hand with Sue are John Craddock, vice president; Daisy Baker, recording secretary; Eleanor Frank, corresponding secretary; Ann Burgis, treasurer; William Narburgh, head of the Traffic and Safety Council; and Rosemary Sadler, head of the Awards Council.

The first thing accomplished by the Student Council was the setting up of the various committees and their heads. Susan Beach was placed in charge of the Orientation Committee. It was Susan who found each new student a big sister or brother to acquaint him with the ways of A. C. S. Patricia Fraser, named head of the Assembly Committee, was given the job of planning all the assemblies for next year. Patricia Leigh was head of the Publicity Committee. It was her job to see that all Student Council activities were fully advertised. Charles Derwick was given the task of managing the Spring election.

The Traffic and Safety Council fell under the supervision of the Student Council this year. Bill Narburgh and his committee granted permits to the student drivers. They also patrolled the drivers to make sure that their laws were followed to the letter T (as for ticket!)

The Awards Council with Rosemary Sadler and her members, had charge of the awards. They could be found delving into the files, compiling each individual's points.

The Finance Committee handled the money. All the money earned in the school store passed through the hands of Ann Burgis, our treasurer. This committee also handled the Athletic Association money this year.

The meetings were run in true governmental fashion. At each meeting all the committee heads gave reports along with at least five homeroom presidents.

Two new clubs were chartered for the eighth graders: the Junior Rod and Gun Club and the Girls' Dancing Club. Another club chartered was the Service Club.

Two free assemblies we all enjoyed must be credited to the Student Council.

We made money, too! We sold candy at the basketball games and held two successful bake sales.

We worked with others. In October, we co-operated with the Rotary Club to help put on the annual Hallowe'en Party. At present we are trying to help the P. T. A. pick an exchange student for next year.

SENIOR BAND

The baton signaled "Cheer for Old Albion"! Out marched the Senior Band to spur our team to Victory.

The band, under the direction of Mr. Sherman, got off to a bang-up start this year by electing Tom Craddock as president, Jimmy Graham as vice-president, Sharon Hubbell as secretary, Daisy Baker as treasurer, and Joan Gavenda, Pat Kelly, and Marjorie Bates, as librarians.

The quick stepping of the marching band, and the high strutting of the majorettes made a colorful formation for our football victories. In November, two of our members, Faye Hatch and William Allen, took part in the All-State Band in Brighton. The next thing on the repertoire was the annual Pops Concert which featured a trumpet trio.

In May we went to the Spring Festival. As the finale of our year, we presented our Spring Concert.

The Junior Band, composed of approximately forty members, practiced regularly during the school year. Their chief objective is to fill the chairs of the graduates in the Senior Band. This band may be junior in age, but not in spirit and ability, as they will have an opportunity to show in the Spring Concert.

If you should pass the music room door on Monday night, you would hear the slow ballads and the smooth jazz of the Dance Band. The band, headed by Mr. Sherman, played for the dance at the Band Fun Night, and other activities.

A shako to our drum majorettes! Skirts a-whirling, batons a-twirling, they're the high-stepping girls who led our marching band and pepped up our games and assemblies.

DRAMATICS CLUB OFFICERS

T. Canale, D. Gottovi, S. Beach, T. Craddock

DRAMATICS CLUB

"Curtain going up!" The Dramatics Club's work, assembly performance of "Sugar and Spice", brought down the house — and "WOW Presents", the Dramatics Club entry walked off with first prize in the Variety Show.

A trip to Buffalo to see "Cinerama" and one to the Dramatic Festival at Brockport State Teachers' College were special features of the year.

And who was behind all these projects? Mr. Lynch, advisor of the Dramatics Club — assisted by the officers: Tom Craddock, president; Dan Gottovi, vice-president; Susan Beach, secretary; Tom Canale, treasurer.

THE GLEE CLUB

Spring came late for the Glee Club! Instead of the concert, a blizzard and yet another! We finally heard a wonderful program ranging from "I Wish I Wuz" to "The Battle Hymn of the Republic".

The one hundred and twenty members had worked hard and the results showed it.

To begin the year four members were chosen to attend All State at Brighton. They were Ilah Long, Susan Beach, Race Bergman, and Thomas Craddock.

During latter October, the Christmas Choir, with 41 voices, was organized. They practiced long and faithfully and presented their program for the PTA and the student body. The choir sang "Break Forth O Beauteous Heavenly Light," "Holy, Holy", "Sing O Heavens" and "There's a Song In the Air". The girls sang "Ring Out Ye Bells". Three boy sopranos, Dennis Slizewski, David Ellis, and David Greenlee, sang "Cantique de Noel". The soloists were John Ellis, singing "The Holy City", and Leonore Marth singing "Under the Stars." The choir's songs were an inspiration to all as the Christmas season approached.

Following the Spring Concert the Glee Club began preparing for the Commencement exercises.

The Glee Club, together with Mrs. Trumble, is to be congratulated for excellent work.

NATIONAL HONOR SOCIETY

It isn't every club that is all officers, but this year the National Honor Society had five members. Danniell Gottovi, President; Rosemary Sadler, Vice-President; Patricia Leigh, Secretary; Elaine Coloney, Treasurer; and Marjorie LaMont, Program Chairman. Danny really didn't mind being the only boy. Besides, he had a monopoly on the refreshments. He also had a monopoly on the traffic fines.

Striving to live up to the ideals of scholarship, leadership, character and service, the National Honor Society held monthly meetings at the homes of the members. Our thanks to Miss Boice for her talk with pictures on England, Miss DiLaura for her California slides, Mr. Albert Mason for his original poetry, and Mr. D'Amico for his classical records; The highlight of the season was a trip to the Rochester Arena to see "Don Juan in Hell". In addition the National Honor Society has carried out its traditional duties of raising and lowering the flag and taking charge of the foyer during the noon hour.

We expect to elect the new members later in the Spring.

SERVICE CLUB

Smiling Service! Merry Monitoring! Carl Petronio, with Mr. Anderson, heads this year's newly formed organization, the Alpha Service Club. The function of this club is to serve our school in many ways.

It's greatest accomplishment was the setting up of a good monitor system. Our members did such a fine job of "monitoring" that the school bought them jackets to wear while on duty.

Our first social event was the "Darktown Strutters' Ball". Good turnout! Good time! We hope that the students will support all our activities, so that in future years our members will be able to provide more entertainment for the student body. At present, we are planning a tureen supper and another dance. The profits of these projects are to be put in the Student Council fund toward the purchase of a hi-fi for the school.

As projects to raise money, we sold programs at the football games and, later, pencils which had the basketball schedule on them.

Money isn't everything but it helps the service that Service Club serves!

CLARION-ECHO

Let 'em roll! To press we go! We meet and plan and print!

Co-Editors Dan Gottovi and John Burroughs roll up their sleeves and go to work — with Mr. Noble, new Clarion-Echo advisor, right behind them.

News! News! A column of our own in the local newspaper — a weekly summary of homeroom and school activities. Get your copy in! Gotta meet the deadline!

Lack of funds was responsible for the infrequency of Clarion-Echo publication this year — but quality made up for quantity. To augment the treasury, hot dogs and pop were sold at the games.

We continued the popular practice of interviewing teachers and outstanding seniors — featured in special articles. A salute to Phil Ciarico, Charlie Derwick and Sue Monagan for their super sports summaries! The Gossip column told all — well, almost all!

Difficulties, yes — but a good year notwithstanding!

JUNIOR RED CROSS

Who says Charity isn't fun? Not our Junior Red Crossers!

Speaking of fun, how about the Christmas party at the Veterans' Hospital in Batavia — gifts and tray favors from us — appreciation from the patients — a good time for all!

The Junior Red Cross is composed of one member from each homeroom. Chairmanned this year by Matteo Pecorella, with Shirley (the same name) to keep records and handle money, almost \$100 was painlessly extracted from Albion students during the Fund Drive — as well as an additional \$50 for the Overseas Children's Fund.

Now they're busy making fifty gift boxes to be distributed to the less fortunate in foreign countries.

Much credit is due Miss DiLaura — always the guiding hand behind any Red Cross project.

In collaboration with the Glee Club Spring Concert, our fun night, featuring a basketball game between the faculty men and the varsity (what was the altercation between Mr. Salchak and Charlie Derwick?) and a demonstration of square dancing by the eighth grade girls, proved a big success with proceeds donated to the Red Cross.

FUTURE FARMERS OF AMERICA

Farmers produce and how! The surplus of the Future Farmers of America this year was one of ability. We had a bumper crop of thirty-two active members in our local chapter.

Our officers this year include President, Gordon Wells; Vice President, Ronald Kettle; Secretary, Neal Newton; Treasurer, Dan Snell; Reporter, Robert Brooks; and Watch Dog, Mark Turner.

The first activity in our program for the year was initiation. The Senior boys passed the judgment on the incoming greenhands.

Our money raising activities this year included our calendar advertising and potato selling.

The Horticultural Show in Rochester brought many honors to the boys. Gordon Wells won first prize in the speaking contest and also the County and Regional contests which followed later. We also won four places in the fruit exhibit and Ronald Kettle placed seventh in the fruit judging contest.

Our next event was the annual banquet which was a howling success. At the same time, we sponsored a pageant, which was appreciated by everyone of all ages.

The present Future Farmers of America Chapter has been an outstanding one, not only for its ability to produce, but also for its talents along agricultural lines.

FUTURE HOMEMAKERS OF AMERICA

Here are the girls who can sew a straight seam and bake a perfect cake. Yes, you've guessed it. These girls are the Future Homemakers of America.

Last year the F. H. A. elected these girls to hold offices for the coming year: Lorraine Kelley, President; Rita Markle, Vice President; Ruby Tower, Treasurer, and Ann Klingenberger, Secretary.

It was alarming and amusing to see the girls with their clothes on backwards and their hair in pigtails, but it was only the F. H. A. initiations.

With a dance planned for a future date, we come out of the kitchen!

SEVENTH AND EIGHTH GRADE GIRLS' DANCING CLASS

May I have this dance?

One of the most enjoyable activities of the Seventh and Eighth Grade girls this year has been the new Dancing Class, which meets every third Friday in the gym during the afternoon homeroom period.

Thanks to Mrs. Willey, our faculty advisor, and a number of the Senior girls — we have mastered the waltz and are now working on the foxtrot. On Slave Day, the Senior boys came down and tripped over our feet.

The Dancing Class is just another of those things that add zest and sparkle to our school life. On with the dance, we say!

JUNIOR ROD AND GUN CLUB

A new club has been organized at A. C. S. this year. It is the Junior Rod and Gun Club under the guidance of Mr. Anthony Mangefrida.

As the name signifies, this organization is for boys in the seventh and eighth grades. The purpose and most important objectives are that these boys will learn the proper use of guns and other sporting supplies, the importance of being careful in the field, and regard for the lives of others.

To explain these functions in aiding this group, the club has had authorities advise them on such matters. Some of these have been Mr. O'Brien of the New York State Conservation Commission, Mr. Gordon McMurray, and Mr. Allen Moore.

Good luck, boys! We know you'll show us some fine techniques in your sports-life.

Broadway, here we come! From Rosemary's banged-up knee to Danny's glider accident, the whole play was a crashing hit! Even Elaine hit a pretty good one when she slapped Dan.

And the sequins and the tulle — the dinner guests were "elegant" — but no one outshone Elaine in her "creation". The matronly Mrs. Wood, gray hair and all — kept everything under control except Sheila's petticoat.

Hours of hard work — moments of fearful anticipation — than it was all over — a side-splitting success!

And to Mr. Lynch, the distracted director of this talented troupe — our heartfelt thanks for his patient perseverance.

Standing: Mrs. Holt, B. Allport, D. Starkweather, L. Bell, L. Rhodey, M. Spriegel, G. Collins, B. Smith, R. Quintern, A. Allport

COMMERCIAL CLUB

Whether it's "number, please" or "Miss Jones, take a letter", the Commercial Club has the answers.

The object of the club is to serve as a clearinghouse for questions and problems which are important to the business trainee but which are not directly dealt with in the classroom situation. The program for this year will include interesting field trips to the bank, the telephone company, the printing offices and other businesses in Albion. We also plan to have a dinner meeting at which we will have a guest speaker.

The officers are: President, Eva Shawver; Vice President, Shelva Coy; Secretary, Leila Meale; and Treasurer, Ida Crawshaw.

AUDIO-VISUAL CLUB

Film strips! Movies! Projectors! These are the building materials of our busiest club — the Audio-Visual Club. Under the direction of Mr. Rickey and officers Gordon Wells, President; Marcia Hart, Secretary; and Rose Marie Gibbs, Treasurer, the members run movies for all classes as well as the noon movies. On request they run movies for clubs outside of school also.

A well-deserved trip to Buffalo to see Cine-rama Holiday will be their reward. They are a service to the school in building knowledge and fun.

SENIOR ROD AND GUN CLUB

The Senior Rod and Gun Club (the Sportsman's Club) is open to boys who are over sixteen years of age or who are members of the junior or senior class.

Gavel wielder at meetings this year was Richard McMurray, assisted by Secretary Charles Derwick and Treasurer Robert Skinner. Mr. Anderson, Mr. Hopkins and Mr. Host acted as faculty advisors.

Most important project of the year was the suggestion that an indoor rifle range be built in the school. So far no action has been taken on this suggestion. The club has also considered joining the National Riflemen's Association, and will make a definite decision at a future meeting.

HI-Y CLUB

The purpose of the Hi-Y Club is "to create, maintain, and extend throughout the school and community high standards of character". Its specific objects are: 1. Clean speech; 2. Clean athletics; 3. Clean scholarship; 4. Clean sportsmanship. That the boys of Albion Central approve these objectives is confirmed by the length of its roster.

Club officers for the '55-'56 season are: John Burroughs, president; Robert Skinner, vice-president; Fred Parker, secretary and treasurer; Lee Brooks, Matteo Pecorella, Dan Gottovi and Terry Neal, sergeants-at-arms. Mr. Schroeder again acts as its genial advisor.

Plans for a trip to Rochester to see the "Royals" in action, swimming tournaments, and other sporting events have kept interest in the club at a high level. Fun Night proved a great success.

FOOTBALL

Injuries in early season to first string halfback, John Babcock and starting quarterback, Lee Brooks did not stop Albion's rampaging attack.

Led by co-captains Phil Ciarico and Lawrence Atwell, the Albion Central football team began the athletic season with a superb showing. The team's record of five wins, two losses and one tie is an excellent one.

The thundering backfield of Eugene Ulianelli, the leading point-getter, Dave Saeva's, Charlie Derwick's and Dick Pilon's running behind the hard hitting line of Bill Narburgh, David Spierdowis, Matt Pecorella, Wally Dale, Lawrence Atwell, Phil Ciarico and John Burroughs was a formidable combination to stop.

Coach Spierdowis handled his bench expertly as he easily could with such able substitutes as Arnold DeCarlo, Dan Gottovi, Fred Daniels, Carl Petronio and many other outstanding players.

To climax a great season the Albion squad scored a tremendous victory over our arch-rival, Medina. This was the fifth consecutive year that Albion has beaten Medina.

With the help of new coaches, Mangefrida and Salchak, the team of '55 had a highly successful season and everyone hopes that the team of '56, which will be led by co-captains Dick Pilon and Charlie Derwick, will have a season equally as good.

BASKETBALL

The Varsity Basketball Team, in spite of a poor season's record, rapidly improved over the last half of the season. After eight losses, including three league games, Albion finally won two games from Notre Dame, of Batavia. Then after two close defeats, Albion broke loose against Medina, scoring 82 points and beating them, thereby making the season a success.

High points of the season have been Chuck Derwick's 30-point output against LeRoy, and the rapid improvement of Arnold DeCarlo after being brought up to the Varsity from the J. V. squad. Other members of the team are Lee Brooks, John Burroughs, Dick Pilon, Fred Daniels, John Ellis, Race Bergman, Donald Hannon and George Batt.

Prospects for next year look very good as Coach Biordi will have seven of this year's team back plus several members of the J. V.s who will be juniors.

BASEBALL

When the leaves come out, so will Coach Hopkins and his diamond demons, who will be trying for their third consecutive league championship.

Last year, Coach Hopkins led his smooth functioning team to the sectionals where they were defeated by Painted Post in a hard fought game.

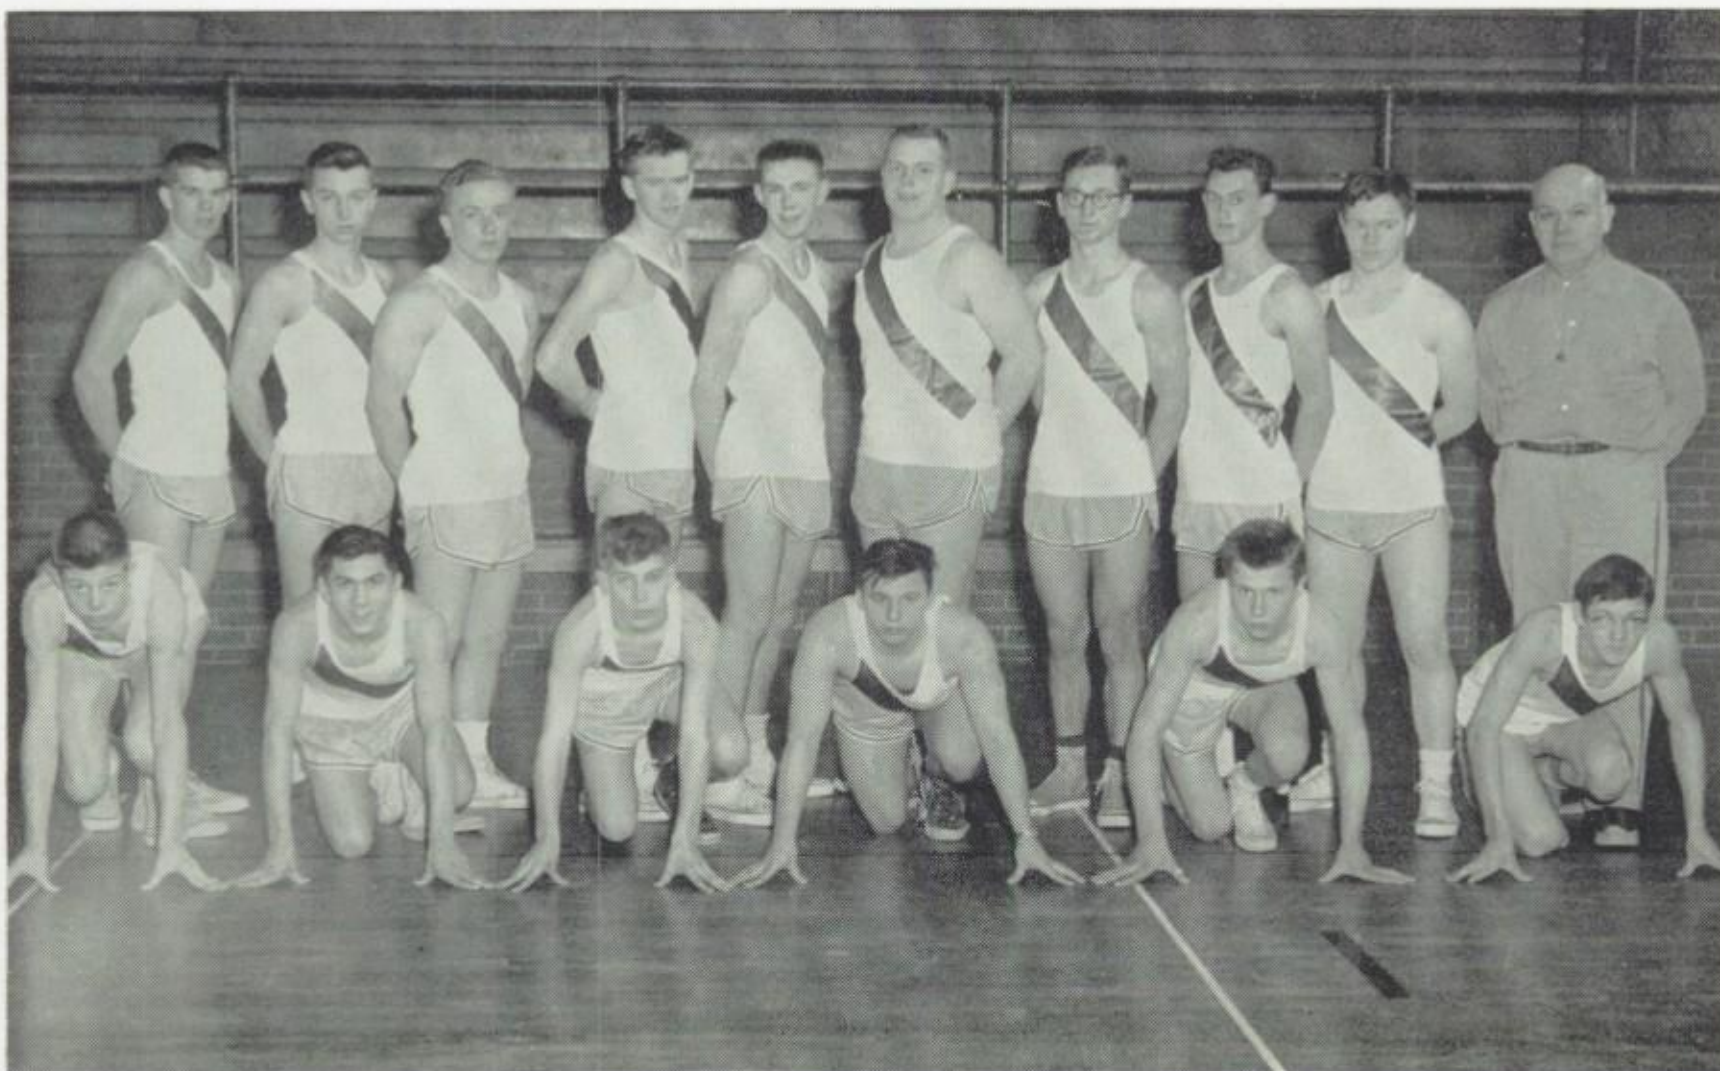

Familiar names like Griffin, Plummer, Brackenbury, Steele, Hobbs, and Pahura, will be missing from the team's roster this year. Their positions will be hard to fill but Coach Hopkins isn't worrying, because he has a fine crop of rookies. Also a few old veterans will be returning to bolster the squad.

Coach has several choices for the catching position which he won't disclose until practice sessions start. His finger will probably point to either Lee Brooks, Dick Pilon or Eugene Ulianelli to fill this gap. The mound duties will be carried mostly by John Burroughs with help from Charlie Derwick and Bob Skinner. Gordon Wells, Phil Ciarico and Arnold D'Amico are lettermen who will hold down infield and outfield posts.

The forecast is an encouraging one and here's hoping the team of '56 will have a great season.

Top Row: E. Ulianelli, J. Ellis, J. Daniels, R. McMurray, R. Skinner, R. Pilon
 2nd Row: Mr. Hopkins, C. Derwick, J. Burroughs, L. Brooks, G. Batt, A. D'Amico, G. Wells, A. DeCarlo, F. Daniels

TRACK

The track team of '56 has a tough schedule with which they will undoubtedly do well. Although many seniors of last year won't be around this year, prospects are still looking good.

Returning lettermen and their respective fields are as follows: Bill Narburgh, who will be a big man for the team this year, relays, dashes, and broad jump; Atwell and Spierdowis, shot put; Erway, Brayley and Fisher, dashes and relays; Wells and Canale, mile; Craddock, hurdles; Parker, high jump and 880; Ciarico and Dale, discuss; and Batt, 440. Coach Spierdowis expects to see many first year men out this year, who will give the squad its needed strength.

He is still hunting for a good pole-vaulter to take Dick Griffin's place.

Good luck, boys!!

MISCELLANEOUS SPORTS

Right down the alley went the bowling team of twenty-eight boys. They bowled every Thursday afternoon for ten weeks after school. The following six boys with the highest averages were chosen to represent the school at the county bowling tournament in Batavia: Dan Radzinski, Eugene Banas, Gordon Wells, Alfred Proctor, Jerry Earnst, and Dan Snell.

Our farmers are short this year but they had a surplus of ambition and kept on. They lost their games but fought hard. The F. F. A. basketball team, captained by Gordon Wells, played a total of six games this year with area schools, losing all six. The lack of height against the taller and more experienced players of the other schools is probably the main reason for an unsuccessful season.

Hard luck accompanied the Junior Varsity basketball team this year. The squad had 2 wins and 14 losses. One highlight of this year's season was the breaking of the school J. V. scoring record by John Leigh, who scored 31 points against Kendall. Good luck next year!

This year's wrestling squad, captained by G. Sullivan and G. Erway, has done well in competition with area schools and in the sectional matches. The nucleus of the squad has been made up of last year's returning lettermen: George Sullivan, Phil Jones, Allan Cote, Gerald Erway, Lawrence Atwell and David Spierdowis.

GIRLS' ATHLETICS

The whistle blows for girls as well as boys in the gym. Under the direction of a new gym instructor, Mrs. Laughlin, this year was filled with many interesting sports and activities.

The newly formed Girls' Athletic Association had for its officers, President, Susan Monagan; Vice President, Rosemary Sadler; Secretary, Kay Bell; Treasurer, Donna Derwick. Representatives were, seniors, Nancy Bielinski and Patricia Fraser; juniors, Gerry Pilato and Eleanor Minckley; Sophomores, Mary Jane Davis and Ann Stockton; Freshmen, Donna Minckley and Joan Gavenda. This organization is doing its best to introduce new sports to the school, bring about a closer relationship between our school and others, and make the girls' athletic life more enjoyable during the year.

The year started out with the sport of field hockey. Teams were organized but it did not interest as many as later sports.

It was a different story with volleyball, however. We played on Tuesdays and Thursdays during the noon hour. A volleyball playday was held in Holley with other schools. We won 2 out of the 3 games played.

Along with volleyball, a new sport, deck tennis, was introduced to the school. The girls all agreed that it was a lot of fun!

Next followed basketball, a sport which is enjoyed by almost every girl. A basketball playday was planned to be held in Brockport.

Bowling is our after school sport. It was a great success this year for a large number of girls participated. Eva Shawver and Dawn Minier did excellent jobs as managers. A bowling sportsday was scheduled to be held here with six other schools invited.

Badminton, shuffleboard, and pingpong were open to any girls interested.

This year a new period of time was devoted to a new idea called the Pep Club. It is an organization for the benefit of girls interested in cheerleading. It gives the girls in grades seven through eleven pointers on cheerleading and all that goes into the making of better cheerleaders for the school.

Springtime brings with it softball, tennis, and archery, outdoor sports that are welcomed each year. Sportsdays are scheduled for softball and tennis.

As the close of the year comes, we all realize what athletics mean to us. They add a lot of fun and excitement to the school year.
